

INVACARE®  
**MyOn™ SERIES**  
ULTRALIGHTWEIGHT WHEELCHAIRS

---

The **Invacare® MyOn™ Series Wheelchairs** are the newest ultralightweight folding wheelchairs in the Invacare product family. It matches modern styling and versatility with overall exceptional value.

---

The **Invacare® MyOn™ Wheelchair** offers the flexibility to meet a wide variety of needs and preferences. This highly adjustable chair, from the height of the backrest to the armrests, allows for maximum customization and adaptability. Chair adjustments are made with just a few simple tools: 2 Allen keys and a wrench. A tool kit is provided with each MyOn Wheelchair when ordered. Reducing time and complexity is an important factor when adjusting a wheelchair, and the MyOn Wheelchair was designed with this in mind. This chair can easily be adapted for a precise, individualized fit in virtually no time at all.
