

# AL215 LOW PROFILE HOIST LIFT

SIMPLE, ECONOMICAL SOLUTION  
FOR LIGHTER WEIGHT MOBILITY DEVICES

### PENDANT CONTROLLER

- Easy-to-grip base with soft, non-slip rubber coating
- Backlit buttons for night use
- Built-in LED flash light to assist with visibility while loading
- On-Off button with shut-off timer to prevent unintended activation
- Magnetic backing for convenient stowage — elevated from water in trucks
- Attractive, modern aesthetics

Affordable low profile hoist lift transports and stores mobility devices inside a cargo area. The single axis lift rotates manually with powered lifting; arm height adjusts to application.

### FEATURES & BENEFITS

- Adjustable arm height
- Manual rotation
- Weather-resistant hand control
- Passenger side standard; driver side available
- Offset post allows the mobility device to be safely unloaded on the side of the vehicle
