

# kudu™

The Kudu is a practical indoor and outdoor wheelchair which combines form and functionality to provide the right fit and support a comfortable posture. It comes in 4 sizes and has many features that are adjustable as the child grows.

Kudu has been designed to offer exceptional adjustability. Backrest height and seat depth can be extended without having to change cushions. The cushions have a one piece removable upholstery that provides comfort for the child and brings simplicity to the overall design.

A significant feature on the Kudu is the new self-centering tilt-in-space that provides effortless tilting of the seat while maintaining optimum balance. Kudu remains stable with the back reclined and the self-centering tilt-in-space activated.

Ergonomic considerations have been taken into account to enhance the child's comfort and minimize the caregiver's effort when manoeuvring the wheelchair. Kudu is designed with a facility to change the back recline angle without tools. For convenient transportation purposes, the back rest can be collapsed horizontally and the wheels can be removed.

### Self centering tilt-in-space/Back recline

With the self-centering tilt-in-space, the centre of gravity remains intact. This also eases effort required to manoeuvre the wheelchair.

The back rest is adjustable independently from the seat

### Growth adaptable

The base of the seat and the back rest are adjustable in depth and height

### Centre of gravity

To adapt to different needs, the seat has a moveable centre of gravity achieved by adjusting the rear wheels in 3 different positions. The frame of Kudu has a strong durable construction whose length makes it easy to manoeuvre

### Secure and portable transportation

The Kudu complies with ISO 7176-19 for transporting children in motor vehicles (max. 57 kg)

# Size

95xxxxxxx

The Kudu is available in four sizes. Can be ordered with either push handles or angle adjustable push brace

Kudu with push brace, drum brakes and wheel brakes

Kudu with push handles and wheel brakes

Grey

# Cushions

Back cushion

Cushion covering

Seat cushion

# Push brace and handles

Push brace

Push handles

# Foot supports

Choose from the different types of foot supports

Foot plate, centrally mounted

Parted foot rests (available for size 2+3+4)

## Rear wheels

Choose from the different sizes of rear wheels. 20", 22" and 24" come as standard with quick release

12½"/16"  
solid or air

20"/22"/24"  
solid or air

## Brakes

Choose from the different types of brakes

Wheel brakes  
(available for 20", 22"  
and 24")

Drum brakes

## Front wheels

Choose from the different sizes of front wheels

6" solid front wheels

7" solid or air front  
wheels (can be  
combined with 22"  
and 24" rear wheels)

## Anti-tips and spoke protectors

Anti-tips

Spoke protectors

Weight	19 kg (42 lb)	21 kg (46 lb)	23 kg (51 lb)	25 kg (55 lb)
Max. user weight/load	40 kg (88 lb)	50 kg (110 lb)	60 kg (132 lb)	60 kg (132 lb)
Max. user weight in transportation	57 kg (125,5 lb)	57 kg (125,5 lb)	57 kg (125,5 lb)	57 kg (125,5 lb)
Back recline	-5° to 30°	-5° to 30°	-5° to 30°	-5° to 30°
Seat tilt	-3° to 45°	-3° to 45°	-3° to 45°	-3° to 45°
Camber angle for 20, 22, 24 inch wheels	6°	6°	6°	6°

The Kudu measurements above are based on the use of 22" rear wheels, 6" front wheels, angle adjustable push braces and parted foot rests. Different settings may result in another set of measurements. To achieve some of the measurements above, slight adjustments might be required. As we supply various types of accessories, the weight is listed without.

## Accessories

**Head support with cover**  
99xxx-xx  
For correct position and support

See the Accessories section at the back of the catalogue, for further information on options and measurements

**Back extension cushion**  
95743-xxx  
Supports the upper back

Size	Measurements
1	+5 cm or +10 cm
2	+5 cm or +10 cm
3	+5 cm or +10 cm
4	+5 cm or +10 cm

**Fixed side supports**  
95401-x0

Type	Measurements
0	W:9 X H: 10 cm
5	W:16 X H: 15 cm
6	W:12 X H: 14 cm

**Swing-away side supports**  
8310xx-xxx

See the Accessories section at the back of the catalogue, for further information on options and measurements

**Arm rests, incl. side plates**  
95712x  
Height adjustable and provide arm support

One size

**Tray**  
9576350

One size

See the Accessories section at the back of the catalogue, for further information on options and measurements

**Swing-away knee supports, set**  
95860-xx  
Provide control and positioning

Type	Size
1+2	Small
3+4	Medium

**Rucksack**  
94480-x  
Extra space for storage

Type	Size
1+2	Small
3+4	Medium

**Calf support**  
85131-xx  
For parted foot rests  
For extra support and comfort

One size

**Calf support**  
85131  
Centrally mounted foot plate  
For extra support and comfort

Size	Measurements
1	H:15 x W: 30 cm

**Heel band for parted foot rests**  
85132-xx

One size

**Mud guards**  
9520xx  
Available for 20", 22" and 24"

## Accessories

### Transport fittings rear

95900-10

Complies with ISO 7176-19, for safe transportation in motor vehicles (max. 57 kg user weight)

One size

### Vent tray

95281-10

Tray for carrying medical equipment. 20 kg weight limit

One size

### Push brace

95629-x

Size	Measurements
1	W:33 x D:27,5 cm
2	W:37 x D:27,5 cm
3	W:41 x D:27,5 cm
4	W:45 x D:27,5 cm

### Push handles

95370-10

Size	Measurements
1	W:43 x D:20 cm
2	W:47 x D:20 cm
3	W:51 x D:20 cm
4	W:55 x D:20 cm

### Parted foot rests

95151-x60

Size	Measurements
2	W: 14 x D: 13 cm
3	W: 15 x D: 13 cm
4	W: 18 x D: 13 cm

### Foot plate, centrally mounted

95152-x60

Size	Measurements
1	W: 26 x D: 19 cm
2	W: 31 x D: 19 cm
3	W: 36 x D: 23 cm
4	W: 41 x D: 24 cm
