# Independent Auditor's Report on Financial Statements and Supplementary Information

Board of Trustees Our World Neighborhood Charter School

## **Report on the Financial Statements**

We have audited the accompanying financial statements of Our World Neighborhood Charter School, which comprise the balance sheet as of as of June 30, 2016 and 2015, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Our World Neighborhood Charter School as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Functional Expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2016 on our consideration of Our World Neighborhood Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Our World Neighborhood Charter School's internal control over financial reporting control over financial reporting or on compliance.

## NOTES TO FINANCIAL STATEMENTS

### JUNE 30, 2016 AND 2015

### **NOTE 1 - NATURE OF ORGANIZATION**

Our World Neighborhood Charter School (OWN) is an educational corporation that operates as a charter school in the Borough of Queens, New York. On July 18, 2012, the Board of Regents and the Board of Trustees of the State University of New York, on behalf of the State Education Department, granted OWN a charter valid for a term of five years and renewable upon expiration. OWN was organized to increase learning opportunities for students through innovative educational programs and to enable parents to be more involved in their children's education. In both fiscal years 2016 and 2015, OWN operated classes for approximately 700 students in grades K-8.

OWN is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. OWN is supported primarily by state and local per-pupil operating revenues.

# **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting - The financial statements are prepared on the accrual basis of accounting.

*Use of estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash - reserve for dissolution* - The cash reserve for dissolution represents funds held aside for contingency purposes as required by the School's Charter.

*Investments - certificates of deposit - reserve for dissolution* - Certificates of deposit held for investment that are not debt securities are included in "investments - certificates of deposit." Certificates of deposit with original maturities greater than three months and remaining maturities less than one year are classified as "short-term investments - certificates of deposit." Certificates of deposit." Certificates of deposit. The investments - certificates of deposit - reserve for dissolution represent funds held aside for contingency purposes as required by the School's Charter.

*Accounts receivable* - Accounts receivable consist of unpaid tuition balances. Accounts receivable are presented net of allowances for doubtful accounts. The allowances are based on management's evaluation of the collectibility of the related accounts. Interest is not accrued or recorded on outstanding receivables.

### NOTES TO FINANCIAL STATEMENTS

#### JUNE 30, 2016 AND 2015

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Allowance for doubtful accounts - OWN determines whether an allowance for uncollectibles should be provided for pledges and accounts receivable. Such estimates are based on management's assessment of the aged basis of its contributions and other sources, current economic conditions and historical information. Receivables are written off against the allowance for doubtful accounts when all reasonable collection efforts have been exhausted.

*Prepaid expenses* - Payments made to vendors that cover future periods are recorded as prepaid expenses.

*Fixed assets* - Fixed assets are recorded at cost. Items with a cost of \$5,000 or more and an estimated useful life of more than one year are capitalized.

*Unrestricted net assets* - Unrestricted net assets include funds having no restrictions as to use or purpose imposed by donors.

*State and local per-pupil operating revenues* - Revenues from the state and local governments resulting from OWN's charter status and based on the number of students enrolled are recorded when services are performed in accordance with the charter agreement. These grants are recorded as revenue by OWN when services are rendered.

*Government grants* - Revenues from other government grants to which OWN is entitled is recognized mostly on student enrollment. Some grants are provided for specific educational endeavors which are not based on student enrollment and are recorded when related expenditures are incurred by OWN.

*Food program grants* - Food program grants represent both state and local government subsidies to pay for meals for eligible students.

**Contributions** - Unconditional contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donors. The gifts are reported as temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

**Depreciation and amortization** - Leasehold improvements are amortized on the straight-line basis over the lesser of their useful lives of 37-39 years or the term of the lease, whichever is shorter. Depreciation is computed on the straight-line basis over the estimated useful lives of 3-5 years.

*Functional allocation of expenses* - The costs of providing services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

*Uncertainty in income taxes* - The School has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. Periods ending June 30, 2013 and subsequent remain subject to examination by applicable taxing authorities.

Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

OWN is party to various litigations which, in the opinion of management, will not have a material adverse impact on its financial position.

#### **NOTE 7 - CONCENTRATIONS**

Financial instruments which potentially subject OWN to a concentration of credit risk are cash accounts with financial institutions in excess of FDIC insurance limits.

# SCHEDULE 1 -2-

# Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

# Independent Auditor's Report

# Board of Trustees Our World Neighborhood Charter School

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Our World Neighborhood Charter School, which comprise the balance sheet as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated October 26, 2016.

# Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Our World Neighborhood Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Our World Neighborhood Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Our World Neighborhood Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Our World Neighborhood Charter School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Our World Neighborhood Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
