

Associate Degree Nursing Admission Criteria Point System

Admission Requirements:

1. Must have a cumulative GPA of 2.5 in the science prerequisites.
2. Must have a cumulative GPA of 2.0 in the general education prerequisites.
3. Must receive a 59% or higher on the TEAS exam or a 75% or higher composite score on the Health Education Systems Incorporated Admissions (HESI A2) exam.
4. Must be 18 years old.
5. Must have a high school diploma or equivalent.
6. Must be a legal resident of the United States.

Criteria 1: Grade point average in pre-nursing science courses or equivalents.

Documentation Required & Point Distribution:

1. Anatomy or Anatomy/Physiology I
2. Physiology or Anatomy/Physiology II
3. Microbiology

The cumulative grade point average (GPA) is computed for the three pre-nursing science courses (or their equivalents). Applicant must earn a C or better in each course (a C- is not acceptable in any separate course, including labs), and must earn an overall minimum GPA of 2.5 to be considered for admission to this program. Courses with substandard grades may be repeated until a passing grade of C or better is achieved.

Excluding withdrawn, failed, or expired courses, only one science course can be retaken for an improved grade. Courses should not be taken for Credit/No Credit. If a course has already been taken for Credit, and the Credit was equivalent to at least a grade of C or better, we will assume a grade of C for such course(s) in the calculation of the GPA.

If your Anatomy and Physiology courses are 5-6 years old, we recommend taking UNC's A&P I and A&P II refresher courses. If your Anatomy and Physiology courses are greater than 7 years old, we require that students take UNC's A&P I and A&P II refresher courses. Microbiology does not expire.

GPA	Points
4.0	30 points
3.5-3.99	25 points
3.0-3.49	20 points
2.5-2.99	15 points

Criteria 2: Grade point average in pre-nursing general education courses or equivalents.

Documentation Required & Point Distribution:

1. Oral Communication
2. English Composition
3. Math (Intermediate Algebra or higher)
4. Psychology
5. Sociology
6. Humanities

*Please note that for ADN admission, Biostats cannot be accepted for math and/or Critical Thinking cannot be accepted for English.

The GPA is computed for the pre-nursing general education courses (or their equivalents). Applicant must earn an overall minimum GPA of 2.0 to be considered for admission to this program. Courses do not expire. A Humanities course is required but not used to calculate GPA. The higher grade between Psychology and Sociology will be used to calculate GPA. AP exam scores are accepted but not used to calculate GPA. Courses may be repeated for a higher grade.
