

Greetings Student:

All students interested in submitting an official ADN application will need to take the HESI A2 entrance exam. The exam will be proctored in-person at our WALT Center at United University of Nursing/United Nursing college, and you can book an appointment at your convenience. You will need a minimum overall score of 75% or higher to apply to our program.

The sections included on the UNC exam will be as follows: Anatomy & Physiology, Biology, Chemistry, Math, Reading Comprehension, Vocabulary & General Knowledge, Learning Styles, and Personality Style. You will have 265 minutes to complete the entire exam. The price of the exam is \$94. We recommend completing most or all of your prerequisites before you take the exam.

To better help you prepare, please access the [HESI iNet Guide for Students](#). When you are ready, please book your appointment on our website at <https://uunursing.com/hesi-exam>.

Here are a few options for study guides:

- The Exam is hosted through Elsevier, so their [study guide](#) will be the most comprehensive.
- Mometrix [study guide](#)
- There are a lot of free versions online as well; just make sure you're looking for HESI A2!

Please let us know if you have any questions!

Best Regards,
United Nursing College
